- Composition book (for example Mead brand with black and white marbled cover)
- Pocket folder
- Rain/Rubber Boots or an extra pair of old tennis shoes
- Winter hat, scarf, gloves
- Winter coat
- Snow pants
- Snow boots

A Complete change of clothes

- Children need to play outside every day, even in Winter. Going outside to run, jump, yell, and wiggle allows children to use and improve their gross motor skills and work off extra energy they may have. Playing in the fresh air is healthier than keeping students in a closed building where germs can easily spread. Children and parents understand that these outdoor activities will often get the children wet, dirty, hot, and/or cold.
- With that in mind, I ask that you consider the temperature and weather conditions before you send your child to school. There may be times when the weather is deemed too cold for outdoor recess and I will make that determination on a daily basis. Please remember that on most days we will have outdoor recess even if it is for an abbreviated time.
- Winter coats, hats, gloves, snow boots and snow pants are most appropriate on cold days.
- During the fall/spring having a change of clothes and rain boots or old pair of tennis is appropriate.
- In addition, please consider labeling coats, gloves, hats, scarves, etc. as these items of clothing sometimes go missing. We do keep extra hats, scarves and gloves at school.
